

Diminishing Deductible

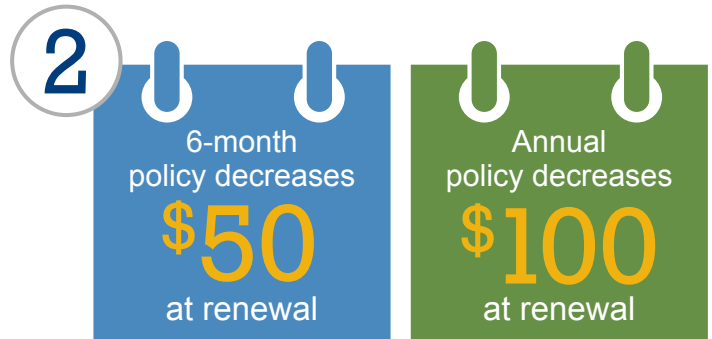

Your reward for safe driving.

The best kind of deductible is one that decreases. Safeco Insurance® offers access to a collision deductible that diminishes as you drive safely.

How it works

1 Drive safely and your collision deductible goes down. It's as easy as that!

2 Your collision deductible will decrease every time your policy renews with no at-fault accidents.

3 As you keep driving safely, your deductible keeps going down – up to a maximum of 5 years or \$500.

4 Even if there's an at-fault accident, your reduction will start again at the first renewal without an at-fault accident.
